TÜRKİYE'NİN KRİKOSU

JACK OF TURKEY

BAŞARAN

HİDROLİK LTD. ŞTİ.

VİZYONUMUZ

Hedef kitlesine verdiği önem ve kendini sürekli geliştiren yapısı ile sektörün en çok tercih edilen markası.

MİSYONUMUZ

Vizyonumuz doğrultusunda hidrolik sektöründeki hizmeti verimli bir kültür haline getirerek hedef kitlesinin ihtiyaçlarına en yüksek kalitede cevap vermek ve sadece Türkiye'de değil, dünyada da "krikonun güçlü markası olmak".

KALİTE POLİTİKAMIZ

- Müşterilerimize beklentilerini karşılayacak şekilde zamanında, kaliteli, uygun Pazar fiyatında ve sürekli güvenilir ürünler sunmak,
- Yaptığımız her işi planlı bir şekilde sonulandırmak ve sürekli olarak doğru hizmet vermek,
- İş süreçlerini etkinliğini ve verimliliğini istikrarlı bir şekilde iyileştirmek,
- Çalışanlarımızın teknik ve kurumsal eğitimlerini sağlamak, memnuniyetini ve yeterliliğini artırmak,
- Tedarikçilerimizle iş ortaklığını geliştirmek,
- Her alanda ekip çalışması yapmak ve yapılan işte kaliteyi gözetmek,
- Çalışlığımızı çevreyi korumak ve kaynaklarını verimli bir şekilde kullanmak,
- Kalite sistemimizi geliştirmek ve rekabet ortamında tercih edilen marka olmak,
- Müşteri memnuniyetini üretim sonrası servis ve yedek parça desteği ile artırmak, bu yönümüzle sürekli tercih sebebi olmak,
- Sürekli kendisini geliştirmek için yenileyen hedef kitlenin istekleri doğrultusunda hedef kitle talebine bilgi ve tecrübe ile her zaman cevap verebilmek.
- Kaynaklarını verimli bir şekilde kullanarak sektörde en profesyonel hizmeti sunmak

OUR VISION

Is to be the most preferable mark of this sector with the trust of its own and giving the importance to its customers.

OUR MISSION

Is to be the best answer of our customers needs owing to our vision in hydraulic sector and to be the powerful mark of car lifting not only in Turkey but also all over the world.

OUR QUALITY POLICY

- To service the productions of good quality in time and at suitable price.
- To work in a planned way and have the expected results.
- Always to make better the productivity and working time.
- The supply the technical and institutional requirements of our workers and to increase their pleasure.
- To have a partnership with our procurers.
- To have cooperation in any side and to regard the quality.
- To protect our environment and use our sources carefully.
- The develop our quality policy and be the preferable mark.
- To increase the pleasure of our customer with the support of spare part and after selling service.
- To be the best answer of our customers need in any time.
- To service in a Professional way

KRİKOLAR**

A close-up photograph of a red hydraulic lift's mechanical components. The central focus is a large black cylindrical hydraulic cylinder mounted on a red metal frame. A silver-colored rod or link connects the cylinder to another part of the lift. In the background, other hydraulic cylinders and structural elements are visible against a dark, textured background.

A close-up photograph of a mechanical assembly, likely a hydraulic cylinder or jack. The image is dominated by metallic surfaces with a fine, vertical-grained texture. Two prominent red-painted metal components are visible: one forming a vertical support on the right and another angled component on the left. A horizontal red line forms a rectangular frame around the central text area. The background is slightly blurred, emphasizing the mechanical details.

A large industrial hydraulic press machine is shown in the background, partially obscured by a dark, semi-transparent rectangular overlay. The machine features prominent red-painted metal frames and safety components. A vertical red beam on the right side has the word "GRAN" printed on it. The overall scene conveys a sense of heavy industry and mechanical power.
